Full-time Missionaries

We believe that God is calling us to serve Him through Voice For Christ Ministries (VFCM). It is our desire to be fully supported so that we will be able to serve together in the great state of Alaska.

According to VFCM policy, full-time service would mean that both of us would be working an average of 50 hours per week.

Karl will be a radio station engineer and maintenance man. His duties will include things such as audio editing, broadcast equipment maintenance, and general building repairs.

Radio announcing and hourly sponsorship sales would be Kristan's primary duties. She will also be asked to host various listeners and supporters of VFCM.

Home Building

Most of you already know that at the end of July, we were blessed by being able to purchase land on which to build a house. See our website www.firstfruitsfarm.com/alaska for more details.

Currently we have begun the design phase of construction and have preliminary ideas about the

size, type of construction, materials, and general layout of a house that we can afford. Our goal is to hire a contractor to pour the foundation in the Spring of 2006 and to have the house "dried-in" before the winter of that same year.

We are praying that God would provide volunteer construction teams to help us build. If you are interested in this opportunity please use our contact information to let us know.

Support

In order for us to be missionaries with VFCM we need to raise a total of \$2844 each month in financial support from God's people. We are also asking for 50 prayer supporters who are willing to pray for us on a regular basis for an approximate total of 150 prayers each month.

Please be in prayer asking God

how you might be involved in supporting us. We welcome your monthly financial support in small denominations and hope that you might be an integral part of our ministry by supporting us in prayer and with finances. We would like to take this opportunity to thank those of you who have already responded.
