Merry Christmas

We hope that this note finds you already celebrating the birth of our Lord Jesus Christ. May you have a wonderful Christmas celebration with family and good friends.

Our Christmas celebration this year is going to include some time spent with Karl's family including his aunt and uncle in southern California. We also will be joining Kristan's family on a fun-filled trip to the magic kingdom.

LCCC, the 1st church to join our support team

Since our last newsletter we have had the opportunity to speak with our home church, Lake City Community Church (LCCC). The mission board was eager to hear our vision and accepted us as

missionaries. LCCC is also arranging a work team to frame our house during the second week in July, 2006.

Face to Face

We would like to meet with you face to face to share about the ministry of Voice for Christ and what we will be doing.

We are traveling by car from southern California back to Washington from December 28 to January 2 and we hope to take advantage of this opportunity to meet with you. If you or your small group would like to set up a meeting, please contact us so that we can make arrangements.

Houston, Alaska

This summer we will be moving to our land near the new station, KAGV. KAGV is located in Houston, Alaska (not to be confused with Houston, Texas).

Houston is a very small town of approximately 1300 residents. It is on the road system, unlike many of our transmitter locations. The nearest sizable town with multiple grocery stores is Wasilla, about 20 minutes to the south. Anchorage (the State's most populous city) is roughly an hour and a half away. The radio network's headquarters are in Nenana, AK which is very nearly 250 miles north on the Park's Highway heading toward Fairbanks.

This year in Houston, on Christmas Eve, sunrise will be 10:19 in the morning and sunset will be 3:37 in the afternoon. Next year on June 21st the sun will rise at 4:14 AM and set at 11:47 PM.

The Little Su River runs through town about 3 blocks from our land. The Little Su is a popular fishing spot for many sport fisherman from Anchorage.

Nearby towns of Big Lake and Willow are known for winter recreation. Big Lake is a very popular snowmobiling area. Willow is often the start of the thousand mile Iditarod sled dog race to Nome.

Support Goals

As you can see in the *Monthly Support Goals* table, God has been moving since our last letter. This has been very encouraging. There still is a long way to go.

Monthly Support Goals

Current	\$1200 (42%)	20 (40%)	107 (71%)

We are depending on the Lord to work through individual contributors for the majority of our financial support. We hope to share with you if you are interested in joining our support team. Please fill out the tear off section to let us know how you would like to participate.

If you can commit to pray please send us an email or send us a note letting us know of your commitment. We will be sure to include you in our prayer email updates.
