Preparing to Move

This 45 foot trailer was purchased on 01/16/06 and will be used to move our home furnishings and some building materials to Alaska.

The barge trip will take approximately one week from the port of Tacoma to Anchorage. We thank God for this wonderful blessing as it allows us to begin moving some of our larger furnishings right away. We are also very thankful for one of Karl's friends who is allowing us to use the land on which the trailer will sit for the next 3 months as we are loading it.

News from the North

KIAM in Nenana, AK is still being run by one full-time

missionary announcer and a very faithful volunteer from Olympia, Washington. Thank you Mr. Wilmes!

KYKD in Bethel, AK is experiencing some difficulty with the radio transmitter and is in need of repair. Please be praying that God will provide an engineer to fix these issues.

Things in Houston, Alaska seem to be going well. The KAGV radio transmitter has had only minor hiccups and Houston finally received some serious snow! Below is a recent picture of the land that we will be building our house on.

Support Goals

During this last month we have been given the opportunity to speak about VFCM and our ministry with four different groups of people. We were also blessed with a financial gift from the Native Gathering in Tacoma. We are truly appreciative.

In March we will be traveling through Washington and Oregon. We hope to share with you if you are interested in joining our support team. Let us know if we can stop by.
