## Building News

Our future home in Houston, AK seems to be progressing well. We are working on finalizing the building plans and preparing to purchase the materials for the foundation.

Karl will be going to Houston during mid-May/early-June to complete the foundation for our home. Please be in prayer that this process will go well in order to welcome work teams from various churches beginning the 2nd week in July.

## Commissioning Sunday

Sunday March 5, 2006 will be our commissioning from Lake City Community Church our sending church. Bob Eldridge (General Director of VFCM) will be with us to help us celebrate.

We also will be participating in a missions program dubbed "North to Alaska". During this time, the LCCC missions committee has planned some fun games and good food.

Please feel free to join us for the Sunday morning service (9:00AM or 10:50AM) and the luncheon afterwards (12:15PM).

## Moving Update

It is here! We are so excited that the time has finally come for us to begin moving our possessions into the semi-trailer. Earlier this month, our 45' semi-trailer was delivered to its temporary home south of Olympia. We have spent our weekends moving furniture and packing the trailer.

The most exciting trip was the one where the snowmobile was moved. It took quite a bit of power (mentally and physically) to get that machine into the trailer, but between Karl and Mike Johnston, all went well. Thank you Mike!

## Support Raising

We are continually amazed at how God is teaching us to rely on Him each day in new ways. He is continuing to grow our financial and

prayer support each month and we are praying for those who are sacrificing to be blessed.

We will be sharing at Independence First Baptist Church in Oregon on March 19, 2006. Please pray with us that the time will help us get closer to our goals.
