## HEATING UP . . .

We can definitely tell that the time for us to depart for Alaska is getting closer! In the last two days we have recruited a real estate agent to sell the house and have made arrangements for the carpets to be replaced. As we prepare our house for sale there are so many things to do, cleaning up and making minor repairs. BUSY! BUSY! BUSY!

As for the next couple of weeks, we will be visiting with small groups in order to share God's work in Alaska and invite them to take part in it. We will also be visiting a church in Naches, Washington. Please pray that God will go before us in each of these situations and prepare the hearts and minds of people who He would have participate with us.

## Awesome Appointments

March has been a very joyous and very full month for us! During the first weekend, we had a wonderful time with Bob Eldridge (VFCM General Director) at our very own Lake City Community Church. Together we shared God's vision for His radio ministry in Alaska. Karl displayed his technical skills, while Kristan donned

her radio voice. Bob brought a stimulating message and reminded everyone that God will work through you as long as you are willing to follow and trust Him.

During the second weekend of March we were able to catch up with old friends from Kristan's high school years. Thanks Dave and Suzanna for a wonderful time.

The third weekend found us in Oregon visiting with Karl's childhood friends and sharing with Independence First Baptist Church. We even had the opportunity to take in a dramatic musical based on C.S. Lewis' Chronicles of Narnia. Mr. Tumnus' performance was absolutely riveting!

## Prayer Requests

Both individually and as a couple, we have set some prayer goals for this year. The more we pray and take time out for God, the more

He answers and blesses. Please be in prayer with us that our house here in Lakewood will sell quickly in order to free up the equity to begin building our home in Alaska.
