Post-Easter

We hope that your Easter was spent with family and friends celebrating the resurrection of our Lord Jesus Christ.

We spent our Easter moving out of our Lakewood house into a friend's house in Parkland, Washington. It seemed very fitting to be starting a new life on the day that Christ arose to give all humanity new life.

Lakewood House

After some work and a little tender loving care, our house was finally ready for sale in the middle of this month.

Thanks to Tony Oury and Jan Rich, our Lakewood house was placed on the market on 04/20/06.

Please pray that it will sell quickly and free up the equity for building materials in Alaska.

Semi-Trailer Update

Karl was able to book passage on a barge to Alaska for our semi-trailer. The trailer will leave on the May 5th voyage and should be in Anchorage approximately 10 days later. Again, we were the recipients of God's blessings when Nichols Trucking Company moved the 45 foot trailer from south of Olympia to the Port of Seattle. Thank you!

Building in Alaska

Around the 20th of May, the foundation work on our house is scheduled to begin.

Pray that the weather in Houston, AK will cooperate, there will be no injuries to the workers, and the time spent will be productive in order to be ready for more construction in July.

New Friends

We have been having a great time meeting new people at home

groups as well as in Naches, WA at Nile Valley Community Church. Special thanks to Reg and Richard for helping us make these contacts.
