Ministry News

The month of June has come and gone! A lot has been accomplished this month and we pray that it will not return void.

Translators

All of the translators with a deadline before June 24, 2007 have been installed! Yes, that means that Prudhoe Bay was installed just 10 days before the FCC cut-off date! AWESOME!

Karl and Adam (a missionary pilot with The Master's Mission a.k.a. TMM) made a road trip up the Dalton highway and were able to install the translator on the property of the general store.

Satellite Change

Our satellite provider forced a major change on us at the last minute. This satellite change required us to realign all of our

satellite dishes and reprogram all of the satellite signal receivers in each of the already installed 15 locations. And if that weren't enough, all of this needed to be completed in 30 days to avoid "dead-air" on any of the radio stations that receive KIAM's signal.

With the vast size of Alaska and crazy weather, we were skeptical that all of this work could be done in the allotted time frame, however we pressed forwarding hoping to get what God wanted accomplished in His timing.

Amazingly, after traveling over 6000 miles, waiting and waiting for good flying weather, and spending over 25 hours in two small aircraft, not a single translator was without radio signal and everything was accomplished! Praise God for his provision in ALL THINGS!
